

## **APCM Electoral Roll Report 2021**

The Church Electoral Roll is the list of those qualified to vote at the Annual Parochial Church Meeting. Each year the Electoral Roll is revised in accordance with the procedures specified in the Church Representation Rules. This is normally a paper-based system of forms and notices. This year the pandemic has made us re-think how we implement the processes so they can work in the online world. An advantage of this is that it should be easier for people to apply for or be removed from the Electoral Roll thus keeping it more up to date and relevant. I wish to express my very grateful thanks to the parish administration team, in particular Corinne Jones and Susie Alcock for their help in getting the Electoral Roll processes online this year.

The result of the Electoral Roll revision this year is that the number on the published list for 2021 is 234. The overall number has increased by 10 since the Electoral Roll was revised in 2020. This is as a result of 14 individuals joining and 4 leaving.
