

Baptism

Before contacting us, we recommend that you first visit the Church of England's website churchofengland.org.uk.

We are happy to baptise any infant, child or adult who is resident in the parish. We may also be in a position to baptise those who have other connections with us.

Please **contact the Rector** in the first instance. Once it has been agreed that a baptism service can take place the Parish Office will guide you through the stages and help plan dates.

We do all that we can to make each baptism personal and special to all involved, to help with preparation, arrangements and administration, and to bring the deeper and spiritual significance of this time to the surface.
