

Kwasa College's Student Sponsorship Scheme

This is a scheme operated by the West Green Trust, through which individuals or companies can pay the school fees of a student whose parents, carers or child-headed family could not afford to pay. The sponsorship money is not attached to a named child, but used at the discretion of Sharron Dinnie and the Kwasa Board to support those most in need.

The sponsorship scheme operates on a monthly giving of £25, which with Gift Aid covers the R6,600 fees for a student.

Expanding the sponsorship scheme will help Sharron bridge the gap in Kwasa College's finances and give the parents and carers most in need the help they need to send their children to school.

It is easy to join the scheme by setting up a monthly standing order for £25, payable to:

The West Green Charitable Trust
Sort code 15 99 00
Account number 7829 4260

If you then email Rich Benton, a Trustee of the scheme, at richbenton@aol.com, he will send a simple Gift Aid form to complete and scan/photo and return.

Monthly amounts larger or smaller than £25 are very welcome; all regular income helps with Kwasa's sustainability.
